Hi Kate,

The issue here is that you go to paystation directly via IP. Nancy is thinking that you utilize the MSP intranet. I have included Luis on this so he can send you an icon/IP for the MSP intranet

Luis, can you please send? Is the firewall opened for them

Thanks
B

Hi Brian,

I have a question and was hoping you would be able to help me out. We are trying to get into the docushare program (we have been given a username and PW), however, we cannot access the MSP intranet. Could you please forward me the link or let me know what we need to do in order to access the intranet? We were told that it is the same as what we click on for paystation but we can't seem to get it to work.

Thanks,
Kate

Importance: High

Hello,

Attached is a computer access form for the Massachusetts State Police. Since the MSP is in another computer domain, it is important to establish a new account for each of you in that system to ensure uninterrupted computer service on July 1st

Please complete and email to Brian Silvia at brian@doc.state.ma.us. As soon as possible.

Thanks, Julie

Good afternoon,

Would it be possible to have the staff moving over fill these out so I can get the process started? How would I get to Amherst staff? They can send back electronically if possible

Again thanks for all of your help
